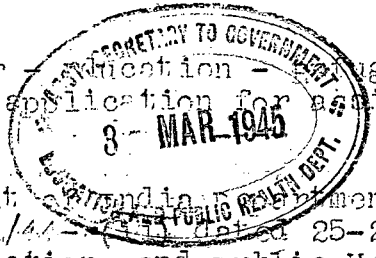
Sir,

MIGRATION - war - evacuation - refugee student - Augustine Joseph Fernandez - application for assistance - forwarded.



In the Government of India, Department of Industries, Overseas letter No.F.21/44-[illegible] dated 25-2-1944, communicated in G.O.Ms.No.338, Education, and Public Health Department, dated 7-4-1944, the refugee student Mr. Augustine Joseph Fernandez was rendered financial assistance to the extent of Rs.197/- to prosecute his studies in the Junior Intermediate class at the St. Aloysius College for 1943-44. The payment of this amount was made in March 1944. In July 1944, the student again put in an application for allowance for the year 1944-45. This application however, was not recommended to the Government for the reason that the applicant was granted financial assistance to the extent of Rs.197/- for 1943-44, that his father and guardian was in receipt of a monthly maintenance allowance of Rs.111/-, and besides, the family was granted allowances totalling upto Rs.607-2-0 in the same year, under various heads, such as school fees, shorthand and typewriting allowance and clothing. Further, enquiry also showed that the progress made by the student in his studies at the College, was not upto the mark.

2. The refugee student has again put in an application through the Central Refugee Officer, Southern Zone, praying that his application for continuance of the grant may be reconsidered to enable him to complete his Intermediate course of study.

3. It is seen that the applicant has been selected for the public examination and success in this will complete the course of study undertaken by the student. The assistance that would be required by him, as estimated by the principal of the ----

college, is detailed below:-

	Rs.	A.	P.
1) College fee for the year 1944-45	113	12	0
2) Literary union fee. "	2	0	0
3) cost of books and stationery required.	20	0	0
	135	12	0
Rounded upto.	136	0	0

4. The applicant's case was considered to be a deserving one and a grant of Rs.197/- was made for the year 1943-44. The resources of the family which continues to receive the monthly maintenance allowance of Rs.111/-, have not improved. In view of these facts and also as success in the examination will complete the Intermediate course of study, I recommend the grant of an allowance of Rs.136/- to the applicant to meet his educational expenses for the year 1944-45.

5. The application dated 30-1-1945, received through the Central Refugee Officer, Southern Zone, is enclosed
